SENOR

SENOR v6POS Series
# Touch POS Terminal

Senor v6POS series feature a brand new concept with an **ultra-narrow bezel-less screen** and **sleek exterior design**, with coloured frame and casing to match the retailer's style.

v6POS is an **energy-efficient solution** with low power consumption on a high-performing platform. The CPU consumes less power, generates less heat and helps to keep our environment green.

With its **elegant design**, v6POS is ideally suited for the retail and hospitality industries' flagship and pop-up stores.
